
Inherit The Nations

Dear family, friends and partners of Inherit the Nations,

As a New Year greeting to you, some people whose lives this ministry has touched, want to wish you a personal blessing. Your heart will be warmed as you receive their words of love and appreciation! I know your time is valuable, but please take a moment to read each one. They love you and have prayed for you even as you have invested into their lives through Inherit the Nations! They will truly bless you as they have blessed me. A wonderful 2009 to you!
Jeanie Steadman

“Jeanie is a present of God for me! Her classes in the Healing School at Carisma were the best I received from my studies, because through her teachings and testimonies I AM CERTAIN that God’s will is to heal all! This teaching is a present, a gift for us. In January of 2007, I had bipolar disease and in April of 2007 I went to study at Carisma. I have never had a crisis again since I began to study God’s healing word!! Glory to God for His love and care for our lives! Thank God for people as marvelous as you! I pray for you partners because of your work sending God into our lives! Happy New Year!”

“The Bible says in Revelations 5:9, ‘And they sang a new song saying, You are worthy to take the book and to open its seals; for You were slain, and have redeemed us to God by Your blood out of every tribe and tongue and people and nation, and have made us Kings and priests to our God; and we shall reign on the earth.’ Thank you for making this become a reality for many Brazilian through Jeanie’s life!”

“Thank you Father, for all Jeanie’s partners, brothers and relatives in USA, for sending her to Brazil; for blessing us at English Service. Please God, put your Holy Spirit with Pastor Jeanie and all her people in USA. Please forgive me the English’s mistakes and don’t laugh. Partners in the U.S, may the love of God our Father fill your hearts with all peace, love and protection and the magnificence of His power through the sweet Holy Spirit. May the Holy Spirit comfort you, not only in the New Year, but always! May He give you the capacity to follow the ministry vocation and His callings to serve in the great field of the Master Carpenter. We want to thank, from all our hearts, those who send and support Pr. Jeanie here in Brazil. She has blessed us so much through her pastoral ministry and it would take hours to write all we have received from her ministry. God in Christ Jesus bless all of you with all blessings! Maranatha, come Lord Jesus!”

“Dear Brothers and Sisters, Supporters of Ms Jeanie Steadman’s ministry in Brazil, Pastor Jeanie Steadman has worked helping us in this ministry, a Bible School called Carisma for more than two years, in Belo Horizonte, Brazil. The student body has been so much blessed and edified by her classes on the subject of healing and spiritual victory. The contentment and progress of the students are evident and worthy of praise. Her participation in our events and services have been extremely significant, always attracting the glorious presence and knowledge of our mighty God among multitudes of believers.

Pastor Jeanie has also travelled extensively to different states of Brazil to minister the uncompromised Word of God with signs following bringing renewing to our needy people. We praise God for your effort in sending her and supporting her ministry in Brasil and urge you to continue doing so with gladness. And we pray that the Lord of the harvest will send you a rich reward in every area of your life. Thank you for your faithfulness and love that cause us to be blessed by Pastor Steadman’s ministry. ‘And let us not be weary in well-doing for in due season we shall reap if we faint not.’ Galatians 6:9”

“Jeanie has been a blessing for us here in Curitiba at Rogate Seminary. Those days she spent here she blessed our students with the understanding of what God has deposited in our lives. We had a Holy Spirit Conference where Pr. Jeanie prayed for the father of one of our students who was cured of a heart disease!”

“ ‘Where the spirit of the Lord is, there is freedom’ 2.Cor. 3,17

My name is Kerstin and I come from Germany. I was in Belo Horizonte from 12.1.2007 until 4.6.2008. In the first 5 months I participated on a Discipleship Training School from YWAM. After that I was working with street children. In the Discipleship Training School Jesus started to change me. I started to be extrovert, to have more self-confidence and God made me free from my big inferiority complex. Jesus showed me how I can be free in him, in his presence. And he showed me more and more how his character is absolutely trustworthy. I learned in many circumstances, that I can face every challenge with help from the lord and when I have courage and self-confidence. Also I learned to trust him more day by day. I saw that he never leaves me alone and that he holds my life in his hands. Also he helped me to adapt to the Brazil culture. That was a big challenge because the German culture is so different. Still for me a miracle is that Jesus helps me to speak English and Portuguese, because when I arrived in Brazil my knowledge to speak English and Portuguese was really weak.

Jesus helped me in many difficult situations. In that time I meet the Lagoinha church with the English service where Jeanie is the leader. Jesus showed me through the Lagoinha church, that he is a real experience, for example, with baptism with the Holy Spirit, Holy Spirit Conference and of course the services. Nothing can be compared to experiencing God. I am thankful to Jesus that he put the people from the English service in my path.”

P.S When I wrote this testimony I recognized how great and powerful was my time in Brazil, Good night!

“Grace and Peace of our Lord Jesus, a peace that exceeds all our understanding will invade your hearts! I want to thank you who hear the voice of the Lord, who have invested in the calling of Pastor Jeanie, who have been involved in some form to help bring Jeanie to Brazil. Because of her teachings, the anointing poured out through her has impacted my life and my family. I have a c.d. of her ministry from the seminary and my family got together to listen and we had a revival time! God bless you and know that your seed has growth with fruit for each of you!

“Words fail me to say how much Miss. Jeanie has been important to us in Brazil. She has blessed us with her wisdom, her knowledge, her anointing, her spiritual sensibility and, above all, her example of life, faith and love. She loves our people so much, that she is becoming one of us. Thank you for sowing such a wonderful seed in our country. Your harvest will be much greater than you imagine. Thank you”

HAPPY NEW YEAR FROM BRASIL!

It is really going to be a happy new year in Brazil because many will be saved by our Savior and Lord Jesus Christ. Broken hearts and bodies will be healed by the power of the Spirit. Servants for the Lord like Jeanie are making a difference, and I personally want to be a part of what God is writing as a new page of history here in Brazil.

I thank God for the Igreja Batista de Larginha here in Belo Horizonte because the Gospel and the Holy Spirit are touching lives – I know this because my life has been touched. I came at a time when Jeanie was giving a workshop, and by God's guidance I learned of classes beginning in the seminary where I am now studying.

It has been a blessing to me to attend the English service which Jeanie jointly facilitates. Her messages always have fresh ideas from the Word and the Spirit. The English service needed help with the music ministry and Jeanie got a young music director to visit from the states and we began singing like angels.

Jeanie is God's little miracle here and you would say that too if you could see how the Brazilian women respond to her, reaching out to her for support and finding spiritual, physical and emotional healing. Jeanie is so easy to love. I have expressed to her that I hope God will have us in the same vineyard because His grace is upon her. Brazil needs Jeanie.

Best regards in Christ,
